

Release Notes

BIM4HAs Toolkit V2.0

August 2022

What's new in Version 2.0

New Tools

- Asset Information Model [BIM4HAs Asset Information Model Introduction v1.pdf]
- Housing Association Data Dictionary [BIM4HAs Housing Association Data Dictionary Introduction v1.pdf]

Updates to Existing Tools

These tools have had updates to further align them to the UK BIM Framework:

- Asset Information Requirements [BIM4HAs AIR Asset Information Requirements v2.docx]
- COBie Information Exchange Schema [BIM4HAs-COBie-Data-Format-Example-v2.xlsx]

These tools have had minor updates:

- Diagram: BIM Implementation [BIM4HAs BIM Implementation Plan v2.pdf]
This diagram has been updated to improve the language and reflect minor name changes to the UK BIM Framework.

These documents have been updated to incorporate information about the new and updated tools:

- Part 2 Toolkit Guidance Document [BIM for Housing Associations Pt2 Toolkit Guidance v2.pdf]
This document includes a list of all the tools with their latest versions.
